If you have any allergies or dietary requirements please inform your server

and we will endeavour to accommodate your needs, provide accurate information regarding the ingredients in our dishes and the risks of cross contamination. We have gluten free pasta available. We do not stock gluten free pizza bases because the pizza oven and the pizza section of our kitchen have heavy use of flour and gluten is airborne.

We use good quality, vegetarian Gran Levante in our Bencotto Pesto and as our grated, table cheese. Some cheeses we use are not vegetarian, please ask for details.
